

CrossTrek evolved to continue meeting the request of our congregation for a greater understanding of the importance of God's word in their lives.

Why?

Nothing is more important to the health and well-being of a congregation than the strength of its small groups and study of the Bible.

Who?

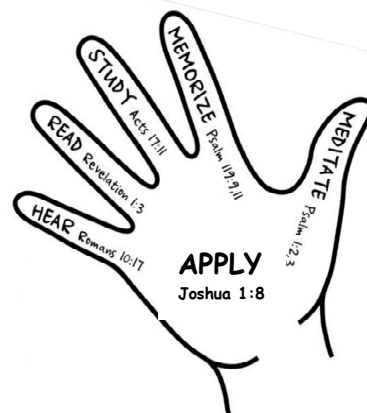

We hope every member of the church will spend time each week reading their Bible and studying their Bible with others. CrossTrek offers methods that promise to deliver new insights and rewards as you travel on your Bible reading journey.
